

## HERITAGE MOTOR CENTRE KIDS CLUB

**Healey**

A world famous Racing Car Driver, Healey is currently King of the Go-Kart track at the Heritage Motor Centre. He is currently unbeaten holding the record for the fastest lap around the circuit. Healey likes racing sports cars from the collection and the Aston Martin Vanquish is his favourite.

**Marina**

Having completed her mechanics apprenticeship, with highest marks in her class, Marina now looks after the Heritage Motor Centre's car collection. From mending engines to changing tyres and polishing chassis, Marina makes sure the collection is always in tiptop condition.

**Cooper**

Responsible for maintaining records in the museum's archive and creating exciting and educational exhibitions, Cooper is the brains of the Heritage Motor Centre. You will see him tinkering with interactive displays and arranging cars with Marina in the museum. Cooper also likes to retreat into the archive and read up on British motoring history.
