

Tea, wee and free taster tours at Heritage Motor Centre!

For groups travelling up and down the M40 this summer, the Heritage Motor Centre is offering a change from the normal motorway service stations or meal stops. The Centre is keen to encourage passing groups and coach operators to use the fully licensed café and toilet facilities and is throwing in the added option of a 15 minute taster tour of the Museum for free.

Conveniently located just 5 minutes off junction 12 of the M40 in Warwickshire, the Heritage Motor Centre has ample free coach parking and a designated groups drop off zone. The café offers a selection of sandwiches, snacks & drinks, hot and cold dishes as well as Fair Trade tea and coffee. Groups who pre book can also get a discount on food and a free meal for their coach driver.

The 15 minute taster tours (pre booking essential) will give visitors and overview of what is one of the top car collections in the world and home to the world's largest collection of British cars. Whether you are young or old, there is sure to be a car in the museum's collection of over 250, that you will recognise, be it reminiscing over the first car you ever drove or owned such as the Mini, Metro, Cortina, Morris Minor or the cars you aspire to like the Aston Martin or Bentley. Then there are always the famous models like the Tomb Raider Defender car Angelina Jolie drove in the latest film and surprisingly a favourite for the male visitors! Or the Aston Martin Vanquish from Die Another Day. If this doesn't spark your imagination, Lady Penelope's best loved limousine, the futuristic and quite exotic Fab1 car will!

Groups or coach companies wanting more information should contact John Bishop on groups@heritage-motor-centre.co.uk or 01926 645032
